

WHOLESALE CLEARANCE SALE

WEDNESDAY morning we shall inaugurate a Wholesale Clearance Sale. Selling you merchandise at positively Wholesale Cost price in the New York markets. We desire to call your attention at this time to the big Sale we held when we first came to town, when we sold out the 5 and 10 cent stock. We gave you genuine bargains then and we doubt if there is a woman in Bridgeport but what bought at this sale, well you know what values we gave you then. Since that time we haven't had any Special Sales, but in making this sale we shall again offer you just such good genuine never to be forgotten bargains. We haven't spent anytime hunting through the mills or manufacturers or jobbers for their Odds and Ends or Soiled and Damaged leftovers to give you goods at a price.

We shall sell you our own merchandise which is guaranteed in every way, shape and form to be absolutely worthy, and that at wholesale Cost prices, which means a saving to you of at least 25 to 50 per cent.
